

DAY 18 Craft

Make a Christmas decoration of baby Jesus in the lowly manger.

What you will need:

- ▶ 2 pop sticks
- ▶ Some wool or raffia
- ▶ Scissors
- ▶ Glue—you may want to use hot glue to hold the manger together.

1. Colour in the baby's face and manger illustration, then cut them out.
2. Glue the manger illustration between the crossed pop stick manger.
3. Glue raffia or thick wool to the ends of the popsicle sticks to make the tree hanger. Also glue a few snippets of raffia/wool to the manger to represent the straw.
4. Stick the baby's head on and you're done.
